

THE LEGACY COIN PROJECT

★
Every headstone holds a story.
The Legacy Coin Project makes sure it can still be heard.

We connect visitors with the lives and stories behind our nation’s military headstones—preserving their service, sacrifice and voices for generations to come.

**10M+**
VETERAN PROFILES
COUNTLESS STORIES
TO BRING TO LIFE

**90 SECONDS**
LIVING MICRO-
TRIBUTES

**100% FREE**
FOR GOLD STAR &
VETERAN FAMILIES

**AMERICA 250**
NATIONAL HERITAGE
HORIZON

FROM A NAME IN STONE TO A STORY REMEMBERED.

- 1 VISIT**
Visit a military cemetery and find a headstone.
- 2 SCAN**
Scan the Legacy Coin or access the tribute through precise gravesite mapping.
- 3 CONNECT**
Instantly open a 90-second tribute on your phone.
- 4 REMEMBER**
Hear their story. Share their legacy. Keep their memory alive.

★

10 MILLION+ PROFILES.
MILLIONS OF STORIES
TO BRING TO LIFE.
We are starting with three.

Using simple technology and the memories of loved ones, we create 90-second video tributes that honor the life, voice and service of our heroes.

At no cost to Gold Star and veteran families.

Designed to complement existing VA memorial resources and connect physical gravesites with richer digital remembrance.

MEANINGFUL IMPACT

- **GOLD STAR FAMILIES**
Meaningful closure and a permanent digital legacy—at no cost.
- **CEMETERY VISITORS**
Transforms silent headstones into personal, emotionally resonant encounters.
- **FUTURE GENERATIONS**
Preserves vital history and educates youth on sacrifice as we celebrate America’s 250th.
- **INTERNATIONAL ALLIES**
Reaffirms shared sacrifice and democratic solidarity across coalition partners.

OUR VISION

- 1 PILOT – 3 FAMILIES**
Proof-of-concept and impact assessment.
- 2 EXPAND – 15–50 FAMILIES**
Regional cemeteries and field-testing.
- 3 NATIONAL**
Integrate with and enrich existing memorial resources; expand through VA, VSO and cemetery partnerships.
- 4 GLOBAL – ABMC CEMETERIES**
Overseas sites and 360° virtual pilgrimage tours.
- 5 COALITION – ALLIED NATIONS**
Extend to key NATO/GWOT partner nations.

PARTNERSHIP & FUNDING

- PHASE 1 FUNDING OBJECTIVES**
K2 is securing seed grant funding and strategic partners to directly support:
 - Precision-milled bronze medallion fabrication on mounting tests.
 - Turnkey media production for inaugural Gold Star families.
 - Geospatial cemetery mapping architecture & impact evaluation.
- ENGAGEMENT PATHWAYS**
 - **GRANTORS** | Pilot tooling & cloud archive
 - **VSO** | Family liaison outreach
 - **TECH PARTNERS** | GIS mapping & mobile integration.
